Canada

## ✓ Operations based in Canada:

Foreign companies that do not conduct R&D or produce/manufacture goods or services in Canada must partner with a Canadian company

## ✓ Able to fully exploit the results of the applied research:

Lead to significant benefit to the company or Canada

## ✓ Demonstrate sufficient maturity and capability:

2 full-time employees and 2 years in operation

## NSERC Partnership Grants help:

Achieve a competitive advantage and grow their business.

Leverage and optimize R&D investments.

Access state-of-the-art research facilities.

Recruit highly qualified personnel.

# Changes Coming...

- As per Budget 2018 NSERC is consolidating and updating several Partnership Grants\* into **ONE grant**
- Ample warning for current grant application deadlines
- In-place awards will be honored
- Overall Partnerships budget is not affected

\*Community and College Innovation Program is not affected
