FANSHAWE

Centre for Research and Innovation

Fanshawe Research matches **Industry Need** with **Student Innovation** and **Faculty Expertise** to help industry prosper and grow

We have:

- Engaged with over 200 partners
- Participated in 300 research projects
- Engaged over 5,000 students

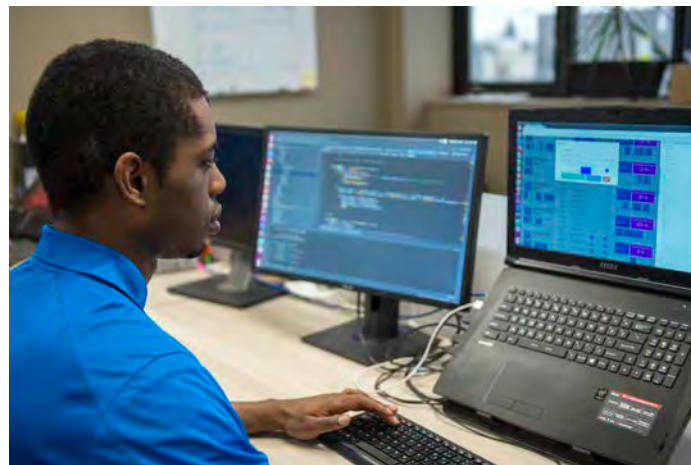

Our Services

- Support research and innovation strategies across the College
- Provide internal funding for Fanshawe researchers
- Provide opportunities for students across the College to engage in research and innovation
- **Collaborating with new and existing community, business and industry partners**

Partnerships

We work with partners in a variety of ways:

- Curriculum integrated projects
- Capstone collaborations
- Externally-funded collaborations
- Fee-for-service

Expertise

- Testing and Validation
- Robotics/Automation
- Manufacturing Process
- Digital Solutions
